UAE Abortion Service 24/7

WHAT WE OFFER PACK

Please read this carefully to understand how we'll assist you!!!

What You Will Receive

We provide you with MA KARE KIT which consist of 1 misoprostol & 4 Mifepristone tablets alongside antibiotics and ibuprofen tablets, Check the image below.

How You Will Receive

We deliver the package to your location after your order, You can also come to our location & pick up the package. For a successful delivery, You'll provide your GPS location to our delivery service when required, Or we'll provide our GPS location if you intend to pick-up your package.

How We Guide You

We assign you a trained gynecologist after you must have successfully received or picked-up your package. You will be given very clear and easy to understand instructions on how to use and what to expect after taking the dosage.

What You Should Expect

We want to assure you that as you decided to trust us with your process and health, We'll do our best to always be available to assist and listen to you while remaining polite at all times in order to reassure you 24/7 while you follow our instructions. You should expect a 100% result and satisfaction as we're trained and equipped to handle the whole situation.

Finally, Thank you for trusting Zahra Healthcare. Recommend our website www.zahrahealthcare.com and get commissioned per recommendation instantly to your desired account details or wallet.
