How We Works

We understand that you might feel so insecure sometimes to trust us with your money in advance, But it's necessary as we promise to always deliver or refund.

The reason why your money is collected upfront is to fund the purchase and delivery of your order in all security, As this is a network, Funds is what moves the weight, WE MAKE IT SURE YOU GET IT

Delivery Ways

We provide mainly 3 types of delivery methods which we understand and have all assurance it's safe for you to engage with as follows below, Please choice one>

LOCATION DROP

Buyer will provide us with his location, Preferably a nearby landmark, Our crew will drop order in a secure position in that location then provide the buyer with pictures and details necessary

INSIDE/UNDEER CAR DROP

Buyer will provide the car details and location, Leave either the drive door open or asked for order to be dropped under the car. If so then the order will be dropped under right tire or inside

HOTEL DELIVERY

Extra 300AED is charged for hotel door mart delivery because we actually borrow the services
Of some of our known delivery to get passed the security check, they won't ask a noon delivery
Guy what he's delivering and why, that's because they can't ask. We extra pay these guys, Also
Get you actually something to eat which will cost the extra 300AED. If you happen to want delivery
In your hotel, please just provide the hotel details and location. Floor and room number.

WE PROMISE
