

HOW WE ACHIEVE BALANCE

BETWEEN VAPE SELLS AND YOU

1

Understanding Your Order

As we talk, Our main goal is to immediately understand what you're looking for so as to provide you accurate response and exactly confirm your order availability or suggest an alternative. Please help us keep it short and straight to the point, Most importantly do not ask any personal details as privacy & speed delivery is our motto

2

Payment & Receipt

Payment is mainly crypto (USDT TRC20 or ETH ERC20), Please understand this before starting an order, We don't accept banks and other non-privacy compliant payment methods, You should always keep your payment receipt till your delivery is completely done (Refunds in few cases, Please read our refund policy)

3

Delivery Of Your Order

Delivery options available are drop at your location, Drop under your car & hotel delivery which comes with an extra fee of 300AED, Other delivery methods are free. Make sure you provide the accurate GPS location of the drop or the hotel name, Location and room number.

4

Friendly Warning!!!

Do not share the word with friends you don't trust they might use the fact that you purchase illegal drugs to blackmail your cool, We're fully protected so it's your responsibility to protect yourself as well, We need you to keep getting our products so this process will make sense, so don't make pointless kind gestures by reviewing us
